

IT'S TIME TO HAVE YOUR SAY

WE WANT TO FIND OUT ABOUT YOUR EXPERIENCES OF CARE AND CARE-GIVING THIS MONTH

Shropshire, Telford and Wrekin Clinical Commissioning Groups are currently undertaking a review of Midwife Led Units (MLUs). You are the experts. We want to find out from people in Shropshire, Telford and Wrekin who have used the service in the last 2.5 years and the staff who deliver maternity services:

"What needs to happen so that maternity services are safe; both staff and families have a great experience of birth and transition well to family life?"

WE NEED YOUR FEEDBACK, CHALLENGE AND EXPERIENCE

We will be asking about your experiences; what is working well and what we need to change and improve so that we have the best possible outcomes for everyone. Please take part!
